

FORM 4-III: NOV (for all violations without a civil penalty)(Non-Licensees)

NOTICE OF VIOLATION

(Name of Company)
(City, State)

Docket No. _____
License No. _____ (if applicable)
EA-YY-XXX (if applicable)

During an NRC inspection (investigation) conducted at (location) on (date(s)), a violation(s) of NRC requirements was (were) identified. In accordance with the "General Statement of Policy and Procedure for NRC Enforcement Actions," NUREG-1600, the violation(s) is (are) listed below:

(State requirement that was violated, e.g., 10 CFR Part 21, 10 CFR Part 72.)

Contrary to the above, (date and description of precisely how the requirement was violated.)

This is a Severity Level __ violation (Supplement __).

¹Pursuant to the provisions of 10 CFR 2.201 (substitute 10 CFR 76.70 for the holder of a Part 76 certificate of compliance or compliance plan), (name of company) is hereby required to submit a written statement or explanation to the U.S. Nuclear Regulatory Commission, ATTN: Document Control Desk, Washington, DC 20555 with a copy to the Chief, (insert applicable program office branch chief) within 30 days of the date of the letter transmitting this Notice of Violation (Notice). This reply should be clearly marked as a "Reply to a Notice of Violation; (EA-YY-XXX, if applicable)" and should include for each violation: (1) the reason for the violation, or, if contested, the basis for disputing the violation or severity level, (2) the corrective steps that have been taken and the results achieved, (3) the corrective steps that will be taken to avoid further violations, and (4) the date when full compliance will be achieved. Your response may reference or include previous docketed correspondence, if the

¹ For violations where the region has determined that no response is required, the following paragraph may be substituted:

The NRC has concluded that information regarding the reason for the violation, [if more than one violation, specify which violation or violations] the corrective actions taken and planned to correct the violation and prevent recurrence and the date when full compliance will be (was) achieved is already adequately addressed in [indicate the correspondence, the date, and the ADAMS accession number]. However, you are required to submit a written statement or explanation pursuant to 10 CFR 2.201 (10 CFR 76.70) if the description therein does not accurately reflect your corrective actions or your position. In that case, or if you choose to respond, clearly mark your response as a "Reply to a Notice of Violation; EA-YY-XXX" and send it to the U.S. Nuclear Regulatory Commission, ATTN: Document Control Desk, Washington, DC 20555 with a copy to the Chief, (insert applicable program office branch chief) within 30 days of the date of the letter transmitting this Notice of Violation (Notice).

If this option is used, substitute the following for the last paragraph of this NOV:

If you choose to respond, your response will be made available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>. Therefore, to the extent possible, the response should not include any personal privacy, proprietary, or safeguards information so that it can be made available to the Public without redaction.

correspondence adequately addresses the required response. Where good cause is shown, consideration will be given to extending the response time.

If you contest this enforcement action, you should also provide a copy of your response, with the basis for your denial, to the Director, Office of Enforcement, United States Nuclear Regulatory Commission, Washington, DC 20555-0001.

Because your response will be made available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>, to the extent possible, it should not include any personal privacy, proprietary, or safeguards information so that it can be made available to the public without redaction. If personal privacy or proprietary information is necessary to provide an acceptable response, then please provide a bracketed copy of your response that identifies the information that should be protected and a redacted copy of your response that deletes such information. If you request withholding of such material, you must specifically identify the portions of your response that you seek to have withheld and provide in detail the bases for your claim of withholding (e.g., explain why the disclosure of information will create an unwarranted invasion of personal privacy or provide the information required by 10 CFR 2.790(b) to support a request for withholding confidential commercial or financial information). If safeguards information is necessary to provide an acceptable response, please provide the level of protection described in 10 CFR 73.21.

In accordance with 10 CFR 19.11, you may be required to post this Notice within two working days.
